

## **Jesse Astorga, MPAS, PA-C**

Jesse Astorga is a board-certified Physician Assistant who joined Texas Regional Asthma and Allergy Center in 2025. He graduated from Louisiana State University Health Science Center with his Master of Physician Assistant Studies in 2020. He decided to specialize in Allergy and Immunology to help patients improve their quality of life as he has first-hand experience of what it is like to battle with allergies since childhood. He is a native Texan and completed his undergraduate degree in Biology at Texas Tech University. In his spare time, Jesse enjoys being outdoors, watching his favorite sports teams, and refining his culinary skills. Jesse looks forward to meeting you and your family!
